Sitting No. 5.

At a Meeting of the Legislative Council held on the 15th July, 1898.

Present:

His Excellency William Grey-Wilson, C.M.G.

The Honourable F. Craigie-Halkett, Colonial Secretary.

" " Charles W. Hill, Colonial Treasurer.

" " S. Hamilton, Colonial Surgeon.

" " A. E. Baillon.

" " J. J. Felton, absent.

The Minutes of the last Meeting were read and confirmed.

The President introduced "An Ordinance relating to Trading Companies and other Associations" and moved the suspension of the Standing Orders, seconded by the Honourable A. E. Baillon. The Bill went through all its stages without amendment.

The Honourable the Colonial Secretary introduced a Bill entitled "An Ordinance relating to Harbours" and moved the suspension of the Standing Orders, seconded by the Honourable A. E. Baillon.

The Bill was passed through all its stages with the following amendments in Committee.

The word "vessel" was substituted for the word "ship" wherever it occurs.

In clause 1 "Harbour" shall mean the land-locked water lying to the West and South West of a line drawn from Cape Pembroke to William Point.

Clause 6, line 1. After the word "vessel" insert "arriving from any port beyond the seas." In line 3 "the Commercial Code letter N" was substituted for "a white flag." Clause 11. After "beach" insert "thereof."

The Colonial Treasurer introduced "An Ordinance relating to the Post Office" and moved the suspension of the Standing Orders, seconded by the Colonial Secretary. The Bill passed through all its stages with the following amendment in Committee. Clause 1. "Port" shall mean the Port of Stanley or Fox Bay, and include any place where a Collector shall be stationed and any place hereafter declared a Port by the Governor in Council.

Read and Confirmed this 6th day of September, 1898.

Sitting No. 6.

Tuesday, 6th September, 1898.

All Members present except the Honourable J. J. Felton.

The Minutes of the last Meeting were read and Confirmed.

His Excellency moved (after some remarks) the consideration of the Estimates.

The Honourable A. E. Baillon called attention to the Standing Orders providing advertisement of Money Bills for a week which had not lapsed yet. His Excellency replied that no Bill was proposed at present, only Estimates.

Estimates of Expenditure were then considered in Committee of the whole Council.

1.—Pensions.

Passed without amendment.

2.—Governor.

3.—Colonial Secretary.

4.—Customs.

5.—Audit.

6.—Port and marine.

7.—Legal.

The Honourable A. E. Baillon repeated his objection to horse allowance to Stipendiary Magistrate, West Falklands, of £50 (which he submitted last year on the Estimates being considered) as he understands that Mr. Hurst does not and cannot, ride.

8.—Police.

The Honourable A. E. Baillon fails to see the necessity for both Inspector and Superintendent, and moves a reduction in the vote by £100.

9.—Prisons.

Passed without amendment.

- 10.—Medical. The Honourable A. E. Baillon called attention to the anomaly of the Colonial Surgeon, the senior Medical Officer appearing as Health Officer at £25 as against his junior the assistant Colonial Surgeon at £50, and Inspector of Nuisances at £50, and moved increase of Colonial Surgeon as Health Officer at £50.

His Excellency said he would submit for the consideration of the Secretary of State the Honourable Member's motion.

- 11.—Education. Passed without amendment.

- 12.—Ecclesiastical. " " "

- 13.—Transport. " " "

- 14.—Miscellaneous. " " "

- 15.—Post Office. " " "

16.—Colonial Engineer. His Excellency explained the origin of the Vote and pressed the necessity for a Fire Engine Station and a Police Station, and the desirability of having all buildings together, and under one roof. In the last seven years only £8100 had been voted for Public Works, whereas £15,699 had been actually expended.

16.—Colonial Engineer Mr. Baillon cordially approved of Mr. Messervy's appointment, and gives his opinion that the first things needing attention are the roads and drains. Mr. Baillon does not see the need for a foreman as well as a Colonial Engineer.

Mr. Baillon called attention to the Surveyor's services being retained further, as he only came out to survey the compulsory purchases.

His Excellency pointed out the chaotic state of the land deeds on which the Colonial Secretary had expended very much time for months past, and had made splendid progress, and assumed entire responsibility for diverting the Surveyor to making a proper plan of the town.

His Excellency proposed the building of a reservoir, as fresh water was essential for the Steam Fire Engine.

Mr. Baillon moved reduction of vote by £150 Foreman of Works.

- 17.—Public Works. Reserved for consideration at the adjourned Meeting of Council, when Mr. Baillon believes Mr. J. J. Felton will be able to attend.

- 18.—Savings' Bank. Passed without amendment.

- 19.—Drawbacks and Refunds. Passed without amendment.

Council adjourned to 11 a.m., 12th instant.

Read and Confirmed this 12th day of September, 1898.

Sitting No. 7.

Monday, 12th September, 1898.

All Members present except the Honourable J. J. Felton.

Minutes of last Meeting amended and Confirmed.

The Estimates were further considered and Vote 17, Public Works, after a few explanations by His Excellency and the Treasurer, was agreed to.

The President introduced a Bill entitled "An Ordinance to provide for the service of the Colony for the year 1899," and moved the suspension of the Standing Orders, seconded by the Colonial Secretary and agreed to.

The Bill went through all its stages and was passed without amendment.

Read and Confirmed this day of 1898.
