His Excellency the Governor directs the publication of the following telegram received from the Secretary of State for the Colonies :-

*Circular. 12th December.* The following messages have been addressed by His Majesty to

(a) the Royal Navy. On my accession to the Throne I recall with pride that, as my dear Father did before me, I received my early training in the Royal Navy.

It has been my privilege to serve as a Naval Officer both in peace and in war; at Jutland the greatest sea battle of modern times I saw for myself in action the maintenance of those great traditions which are the inheritance of British seamen.

It is my intention always to keep the closest touch with all ranks and ratings of the Naval forces throughout the Empire and with all matters affecting them. I shall do so in the sure knowledge that they will be worthy of the implicit trust placed in them by their fellow countrymen and that in their hands the honour of British Navies will be upheld. *George R. I.*

(b) the Army. On my accession to the Throne I wish to assure all ranks of the Army that their welfare will be one of my chief concerns. It was a notable event in my life 4 years ago when my Father appointed me a Major General in the Army and that association has only served to enhance my admiration for the courage and efficient manner in which their duties however onerous they may prove are invariably undertaken.

The task that lies before me is fraught with difficulties but I know full well that the heavy burden of my responsibility will be lightened by the faithful allegiance of all ranks of Military forces of the Crown throughout the Empire. *George R. I.*

(c) the Royal Air Force. On my accession to the Throne, I hasten to assure the Air Forces at Home and overseas that I look forward to the maintenance of my close connection with them, which has been such a happy feature of my life ever since I became a Junior Officer in the Service in 1918, and served with the independent Air Forces in France.

As Air Chief Marshall, I have watched with keen appreciation the way in which the Service has proved more than equal to the many tasks which a rapid expansion has imposed upon it.

I know full well the Air Forces of the Empire will maintain to the full the great traditions that they have already established, combining with the highest efficiency and zeal a fine chivalry of service and a deep and steadfast loyalty. *George R. I.*

(d) the Civil Service. I desire on my accession to the Throne to express to all grades of the Civil Service my appreciation of the ability and devotion with which they have always discharged their varied duties, whether at home or overseas.

The record of the British Civil Service is indeed unique and I recognize with satisfaction the great position which its members have won for themselves in the life of the community. Its great traditions and those of the Dominions service, of the Indian and Colonial Service, are well known to me, and I am sure I can depend on that spirit of steadfast devotion to duty which has at all times animated them.

Whatever difficulties may lie ahead I know I can rely upon their lasting loyalty. *George R. I.*

*By Command,*  
M. C. CRAIGIE-HALKETT,

It is hereby notified, for general information, that the following warnings have been issued by His Majesty's Government in the United Kingdom :—

"Information has recently reached His Majesty's Government which indicates that attempts are being made in this country to recruit persons for service with forces of one

or other of the contending parties in Spain.

His Majesty's Government in the United Kingdom desires to call attention to the fact that the provisions of the Foreign Enlistments Act, 1870, and in particular Sections 4 and 5 are applicable in the case of the present conflict in Spain. It is accordingly an offence for any British subject to accept or agree to accept any commission or engagement in the Military, Naval or Air Services of either party to present conflict or for any person within the United Kingdom to induce any other person to accept or agree to accept any such commission or engagement. It is also an offence for any British subject to leave or attempt to leave the United Kingdom with the intention of accepting commissions or engagements and for any person in the United Kingdom to induce any other person to do so.

Any person contravening these provisions is liable on conviction to imprisonment up to 2 years or to fine or to both fine and imprisonment."

Attention is drawn to the fact that the Foreign Enlistments Act, 1870, extends to all Colonies and to British subjects everywhere.

3. The excess of Assets over Liabilities on 31st December, 1936, amounting to £308,344 : 8 : 4, are the highest figures yet recorded, and indeed, it is cause for gratification to have reached such figures during a period when the benefits of the release from the general depression had not yet reached the Colony, and the prices realized on our export of wool during the year under report were far from satisfactory.

4. Attached hereto is the Abstract of Falkland Islands and Dependencies Expenditure for the year 1936. Comparative Statements of Revenue and Expenditure for the year 1936 have already been furnished. Other financial statements called for under Colonial Regulations Nos. 323 and 354 are submitted herewith.

	<u>£3,045 : 8 : 2.</u>
Nett Excess ... ..	<u>£6,654 : 18 : 3.</u>

7. The following comments are submitted on the items which are "over" or "under" the Estimate :—

V. INTEREST. The nett increase under Interest was £450 : 15 : 8. The interest receipts from the Joint Colonial Fund exceeded the estimate by £847, and this excess is attributable to the increase of cash held in the Fund on behalf of the Savings Bank. Interest from the Land Sales Fund, Note Security Fund and Reserve Fund were respectively £219, £78 and £94 less than the estimate, and these decreases were due to the various conversions of stock made throughout the year.

VI. POST OFFICE. The nett increase under this Head is £3,394 : 3 : 10, and is due entirely to the fortuitous revenue derived from the sale of stamps to philatelists, as this item alone exceeded the estimate by £3,455.

VII. TELEGRAPH & TELEPHONES. The excess of £685 : 18 : 6, is due to the increased traffic in Wireless Messages.

X. CONTRIBUTION FROM DEPENDENCIES. The excess of £5,169 : 8 : 5., over the estimate is the amount of the arrears of Contribution of former years paid in 1936.

I. CUSTOMS DUTIES. The shortfall in the revenue derived from Customs Duties of £1,527 : 11 : 3, is entirely due to the late arrival of the new vessel "Lafonia", and an amount in excess of the shortfall was received in January, 1937.

IV. FEES, FINES &c. The decrease in the receipts for Fees, Fines &c., is due to various causes, in particular, the Supreme Court Revenue, which is chiefly estate duty, and over which there is no control, was £300 less than the estimate. Hospital and Medical Receipts were less than the estimate by £558, but a contribution of £200 due in 1936 was paid in 1937.

IX. MISCELLANEOUS. Under Miscellaneous the revenue from the Savings Bank was less than the estimate by £2,231, due in the main to the increase of £16,000 in the amounts due to depositors, which in turn required a sum of £1,600 to bring the value of the securities held for depositors up to 110% of the deposits. It will be seen, therefore, that this sum of £1,600, together with the sum of £847 referred to under Interest, accounts for the shortfall of £2,231 under Savings Bank Revenue. During the year, the Note Issue was increased by £2,000 with a result that, after providing 110% security for the Note Security Fund, there was no surplus available for this Revenue, which was estimated at £350. Profit on Sale and Transfer of Investments realized £1,859 : 9 : 7, and the Marine Insurance Fund Investments appreciated to the extent of £46 : 5 : 9.

### Expenditure.

8. The Ordinary Expenditure (£41,114 : 10 : 1) which was only £2 in excess of the estimate of Ordinary Expenditure, together with the Extraordinary Expenditure (£10,587 : 14 : 3), exceeded the Estimate by £450 : 4 : 4, arrived at as follows:—

9. During the year it was found necessary to introduce utility works for the purpose of providing employment. The works which were carried out consisted of a new Quarantine Station, £1,109, Improvement to the Stanley Common, £316, and Improvement of Tracks to

the Camps, £360. There was no provision in the estimates for these works, but savings were found in other directions which went towards the expenditure involved. The principle saving was that of £950 provided for the building of a magazine, the work on which was not undertaken. The over-expenditure of £222 under Harbour Department is attributable to the cost of surveying the Stanley Harbour. Of the other excesses of expenditure that under Education, £122, was due to the appointment of a Second Assistant Master and the inauguration of a Domestic Science Centre, and the excess under Stock Department, £199, was the result of the purchase of grass seeds for the improvement of grasslands. Under Miscellaneous, the charges for telegrams exceeded the estimate by £102, £379 was the additional amount spent on Passages, due to a new appointment and repatriation, while the vote for Charitable Relief was exceeded by £220.

## GOVERNMENT NOTICES.

No. 45. Colonial Secretary's Office,  
Stanley, Falkland Islands.  
3rd April, 1937.

His Excellency the Governor directs it to be notified, for general information, that owing to the cessation of direct mail service from the United Kingdom the General Post Office, London, has been requested to despatch all parcels already posted at the direct rates, by the first opportunity via Montevideo. The additional cost entailed in consequence will in this instance be borne by this Government. The General Post Office has been requested further to instruct the Post Offices in the United Kingdom to accept parcels only at the via Montevideo rate, unless especially notified to the contrary, e.g. for parcels addressed to be shipped by the "Reina del Pacifico",

The Government has been negotiating continuously for the past two years with the General Post Office and the Montevideo Administration for a reduction in Parcel Post rates via Montevideo and still trusts that some success may be achieved. Failing this the Government has in contemplation the grant of a subsidy. Temporarily, however, the full rate will have to be paid.

## Report on Education in the Colony for 1936.

—:0:—

### General.

The Education facilities in the Falkland Islands fall into three groups:

- (1) Schools in Stanley, the only town in the Colony.
- (2) A school at Darwin, the largest settlement outside Stanley.
- (3) Itinerant tuition in the country districts or camp.

(1) **STANLEY.** A Government School is maintained from public funds. The curriculum and time table are much the same as in an English elementary school, and in addition there is a full-time Continuation Class which provides a two-year course of further education. A scheme was instituted in 1924 to assist parents in the camp to send their children to Stanley for schooling. The children were boarded and lodged in a Government hostel and taught in the school at an inclusive charge of ten shillings a month during residence: or, if accommodated in private houses, the Government made a grant towards the cost. In 1929 the hostel was closed owing to lack of support. The maintenance grants still remain, averaging about eight a year.

There is also a Convent school taught by Roman Catholic Sisters: this school is not under Government control or inspection and receives no grant from public funds.

(2) **DARWIN.** The Falkland Islands Company maintains a school here for the children of its employees. It is not assisted or inspected by Government.

(3) **THE CAMP.** Four itinerant teachers are provided by Government, one on the East Falkland and three on the West. The teachers travel on horseback from house to house, usually staying a fortnight at each. The houses are isolated, and the teacher may have to travel several hours before he reaches the next place where his services are required. Each man has a beat which he covers three or four times in a year. He sends a fortnightly report to Stanley giving a detailed account of the work done, a list of books or materials wanted, and so on. The Superintendent of Education makes tours of inspection, normally visiting every child under tuition once every two years. In addition to the Government staff, the Falkland Islands Company maintains two camp teachers for work on its extensive farms on the East Falkland: as with the Company's school at Darwin, their work is not subject to Government supervision.

### Government School.

2. The authorised teaching establishment of the Government School in 1936 was

A Headmaster	}	Certificated by the Board of Education or the Scottish Education Department.
An Assistant Master		
An Assistant Mistress		
A Second Assistant Master	}	Locally trained.
An Assistant Teacher		
Three Supplementary Teachers		

3. The following table shows the number of pupils on the registers at the end of 1936 and the number in average attendance during the year:

		BOYS.	GIRLS.	TOTAL.
Number on roll 31st December, 1936	...	118	59	189
Average number on roll all 1936	...	129.5	63.9	193.4
Average attendance for 1936	...	125.0	61.4	186.4

The attendance averaged 96.4 per cent, the highest ever recorded, the previous best being 93.7 in 1932. Forty-six pupils made an unbroken attendance throughout the year.

4. All children were medically and dentally examined during the year, and in addition there were medical and dental visits for general inspection.

5. The senior boys have had regular lessons in carpentry and handwork. The current Board of Education syllabus of physical training has been in use, and in addition the boys have done gymnastic apparatus work and the girls folkdancing. Football (boys), hockey (girls) and netball (boys and girls) have formed part of the time table.

6. Lessons in cookery for the senior girls were started in July. One group had a lesson every Tuesday and a second group every Thursday from 2 to 4 p.m. The lessons have been given by the senior assistant mistress in the kitchen of the Church House, which adjoins the school. Parents have strongly supported the scheme and the girls have been extremely keen.

### Finance.

7. The expenditure under Head XIII Education of the annual estimates of expenditure was £2,732 : 19 : 0 as compared with £2,875 : 2 : 11 in 1935. The revenue collected in 1936 amounted to £128 : 5 : 11 as against £137 : 4 : 5 in 1935. Details of expenditure and revenue in 1936 are as follows :

Each pupil below the C.C. & above Standard 1.	6d. a week
Each pupil below Standard 2	3d. a week

provided that the total fees payable in respect of the children of any one family shall not exceed the rate of one shilling weekly.

Exemptions are made for fatherless children and in a small number of other cases where there is inability to pay. Similar charges and conditions are in force at the Roman Catholic school in Stanley. The proportion of expenditure met from fee income is about six per cent. At the Darwin school no fees are charged. In the case of children taught by Travelling Teachers there are no fees, the teacher being boarded and lodged at the expense of the household where he is working.

may, if having regard to all the circumstances of the case he thinks proper so to do, deal with the matter as if the injured person had at the time aforesaid been a person working under a valid contract of service or apprenticeship.

### Compensation.

Employer's liability  
for compensation.

3. (1) If personal injury is caused to a workman by accident arising out of and in the course of his employment, his employer shall be liable to pay compensation in accordance with the provisions of this Ordinance :

Provided that the employer shall not be so liable-

Slight injury.

(a) in respect of any injury which does not result in the total or partial disablement of the workman for a period exceeding ten days;

Misconduct.

(b) in respect of any injury to a workman resulting from an accident which is directly attributable to -

(i) the workman having been at the time thereof under the influence of drink or drugs, or

(ii) the wilful disobedience of the workman to an order expressly given, or to a regulation or rule expressly made, for the purpose of securing the safety of workmen, or

(iii) the wilful removal or disregard by the workman of any safety guard or other device which he knew to have been provided for the purpose of securing the safety of workmen.

Disease.

(2) No compensation shall be payable to a workman in respect of any disease unless the disease is solely and directly attributable to a specific injury by accident arising out of and in the course of his employment.

Liability for  
negligence.

(3) When the injury was caused by the personal negligence or wilful act of the employer or of some person for whose act or default the employer is responsible, nothing in this Ordinance shall affect any civil liability of the employer, but in that case the workman may, at his option, either claim compensation under this Ordinance or take proceedings independently of this Ordinance; but the employer shall not be liable to pay compensation for injury to a workman by accident arising out of and in the course of his employment both independently of and also under this Ordinance, and shall not be liable to any proceedings independently of this Ordinance, except in case of such personal negligence or wilful act as aforesaid.

Independent action.

(4) If, within the time hereinafter in this Ordinance limited for taking proceedings, an action is brought to recover damages independently of this Ordinance for injury caused by an accident, and it is determined in such action or on appeal that the injury is one for which the employer is not liable in such action, but that he would have been liable to pay compensation under the provisions of this Ordinance, the action shall be dismissed; but the Court in which the action is tried, or, if the determination is the determination on an appeal (by either party) by an appellate tribunal, that tribunal shall, if the plaintiff so choose, proceed to assess such compensation, but may deduct from such compensation all or part of the costs which, in its judgment, have been caused by the plaintiff bringing the action instead of proceeding under this Ordinance. In any proceeding under this subsection, when the Court or appellate tribunal assesses the compensation, it shall give a certificate of the compensation it has awarded and the directions it has given as to the deduction of costs,

and such certificate shall have the force and effect of and shall be registered as an agreement under this Ordinance:

Provided that an appellate tribunal may, instead of itself assessing such compensation, remit the case to a Commissioner for the assessment of the compensation and in such case may order the Commissioner to deduct from the amount of compensation assessed by him all or part of such cost as aforesaid.

4. (1) Subject to the provisions of this Ordinance, the amount of compensation shall be as follows, namely:-

(a) Where death results from the injury and:-

Amount of compensation.

Death.

- (i) the workman leaves a dependant or dependants wholly dependent upon his earnings, a sum equal to thirty months' wages or two hundred and fifty pounds whichever is the less;
- (ii) the workman does not leave a dependant or dependants wholly dependent upon his earnings, but leaves a dependant or dependants in part so dependent, such sum not exceeding the amount of compensation payable under the preceding paragraph as may be agreed upon or in default of agreement as may be awarded by the Commissioner to be reasonable and proportionate to the injury to the said dependant or dependants.

In addition to any sum payable under the foregoing paragraphs there shall be payable by the employer the reasonable expenses (not exceeding £5) of the burial of the deceased workman.

(b) Where permanent total disablement results from the injury -

Permanent total disablement.

- (i) in the case of an adult, a sum equal to forty-two months' wages or three hundred and fifty pounds, whichever is the less, and
- (ii) in the case of a minor, a sum equal to eighty-four months' wages or three hundred and fifty pounds, whichever is less.

(c) Where permanent partial disablement results from the injury -

Permanent partial disablement.

- (i) in the case of an injury specified in the Schedule hereto, such percentage of the compensation which would have been payable in the case of permanent total disablement as is specified therein as being the percentage of the loss of earning capacity caused by that injury, and
- (ii) in the case of an injury not specified in the Schedule hereto, such percentage of the compensation payable in the case of permanent total disablement as is proportionate to the loss of earning capacity permanently caused by the injury.

Where more injuries than one are caused by the same accident, the amount of the compensation payable under this head shall be aggregated, but not so in any case as to exceed the amount which would have been payable if permanent total disablement had resulted from the injuries.

**Temporary disablement.**

(d) Where temporary disablement, whether total or partial, results from the injury, a half-monthly payment payable on the sixteenth day from the date of the disablement, and thereafter half-monthly during the disablement or during a period of five years, whichever period is shorter -

- (i) in the case of an adult, of a sum equal to one fourth of his monthly wages, and
- (ii) in the case of a minor, of a sum equal to one-third or, after he has attained the age of seventeen years, to one-half of his monthly wages :

Provided that there shall be deducted from any lump sum or half-monthly payments to which the workman is entitled the amount of any payment or allowance which the workman has received from the employer by way of compensation during the period of disablement prior to the receipt of such lump sum or of the first half-monthly payment, as the case may be, and no half-monthly payment shall in any case exceed the amount, if any, by which half the amount of the monthly wages of the workman before the accident exceeds half the amount of such wages as he is earning or is able to earn in some suitable employment or business after the accident.

(2) On the ceasing of the disablement before the date on which any half-monthly payment falls due, there shall be payable in respect of that half month a sum proportionate to the duration of the disablement in that half month.

**Method of calculating wages.**

5. (1) For the purposes of section 4 the monthly wages of a workman shall be calculated as follows, namely :-

- (a) where the workman has, during a continuous period of not less than twelve months immediately preceding the accident, been in the service of the employer who is liable to pay compensation, the monthly wages of the workman shall be one-twelfth of the total wages which have fallen due for payment to him by the employer in the last twelve months of that period ;
- (b) in other cases, the monthly wages shall be thirty times the total wages earned in respect of the last continuous period of service immediately preceding the accident from the employer who is liable to pay compensation, divided by the number of days comprising such period :

Provided that if the amount of the monthly wages arrived at by calculation under clause (a) or clause (b) is more than twelve pounds and ten shillings, such monthly wages shall be assumed to be twelve pounds and ten shillings.

(2) A period of service shall, for the purposes of this section, be deemed to be continuous which has not been interrupted by a period of absence from work exceeding fourteen days.

**Review.**

6. (1) Any half-monthly payment payable under this Ordinance either under an agreement between the parties or under the order of a Commissioner, may be reviewed by the Commissioner on the application either of the employer or of the workman accompanied by the certificate of a qualified medical practitioner that there has been a change in the condition of the workman or, subject to regulations made under this Ordinance, on application made without such certificate.

(2) Any half-monthly payment may, on review under this section, subject to the provisions of this Ordinance, be continued, increased, decreased or ended, or, if the accident is found to have resulted in permanent disablement, be converted to the lump sum to which the workman is entitled less any amount which he has already received by way of half-monthly payments.

7. Any right to receive half-monthly payments may, by agreement between the parties, or, if the parties cannot agree and the payments have been continued for not less than six months, on the application of either party to the Commissioner, be redeemed by the payment of a lump sum of such amount as may be agreed to by the parties or determined by the Commissioner, as the case may be.

Payment of lump sum  
in lieu of payments.

8. (1) Compensation payable where the death of a workman has resulted from an injury shall be deposited with the Registrar, and any sum so deposited shall be apportioned among the dependants of the deceased workman or any of them in such proportion as the Commissioner thinks fit, or may in the discretion of the Commissioner, be allotted to any one such dependant, and the sum so allotted to any dependant shall be paid to him or be invested, applied or otherwise dealt with for his benefit in such manner as the Commissioner thinks fit.

Distribution of com-  
pensation.

On death.

(2) Compensation payable where permanent disablement has resulted from an injury and lump sums payable under the provisions of the preceding section where temporary disablement has resulted from an injury shall be deposited with the Registrar, and any sum so deposited shall be paid to the person entitled thereto or be invested, applied or otherwise dealt with for his benefit in such manner as the Commissioner thinks fit.

Lump sums.

(3) Any other compensation payable under this Ordinance may be deposited with the Registrar and, when so deposited, shall be paid by the Registrar to the person entitled thereto.

Other cases.

(4) The receipt of the Registrar shall be a sufficient discharge in respect of any amount deposited with him under the provisions of this Ordinance.

Receipt of Registrar.

- (b) where the injured officer is at the date of injury within ten years of the age at which he may be required to retire without the approval of the Secretary of State ; or
- (c) where the injury is not the sole cause of retirement, but the retirement is caused partly by age or infirmity not due to the injury :

(2) An officer so injured, whose length of service is not such as to qualify him for a pension under Regulation 2, but who is qualified for a gratuity under Regulation 3, may nevertheless be granted in lieu of such a gratuity a pension at the rate of one-sixthundredth part of his pensionable emoluments for each complete month of pensionable service together with such additional pension as might be awarded to him under the preceding part of this Regulation if he were qualified for pension.

Pension to injured officer where service is less than ten years.

(3) An officer so injured who is not qualified for either a pension under Regulation 2, or a gratuity under Regulation 3 may nevertheless be granted a pension of the same amount as the additional pension which he might have been granted if he had been so qualified.

13. In special cases an officer holding a non-pensionable office may :—

Officers who have served in a non-pensionable office.

- (a) if he has served the Colony for not less than seven years and is removed in consequence of the abolition of his office, or for the purpose of facilitating improvements in the organisation of the Department to which he belongs by which greater efficiency and economy can be effected ; or
- (b) if he has served for not less than fifteen years and he retires in any of the cases set out in Section 7 of the Ordinance ;

be granted a compassionate gratuity not exceeding one pound or one week's pay, whichever is the greater for each year of his service.

14. Where an officer has been transferred from a pensionable to a non-pensionable office and subsequently retires either from a pensionable or non-pensionable office in circumstances in which he might have been granted a pension if he had continuously held a pensionable office, he may, with the approval of the Governor in Council, be allowed to count his service in the non-pensionable office as though it were service in the pensionable office which he held immediately prior to such transfer, and at the pensionable emoluments which were payable to him at the date of transfer.

Officers transferred from pensionable to non-pensionable office.

15. (1) Any officer to whom a pension is granted under the Ordinance may, at his option exercisable as hereinafter provided,

Gratuity and reduced pension.

be paid in lieu of such pension a pension at the rate of three-fourths of such pension together with a gratuity equal to ten times the amount of the reduction so made in the pension.

(2) The option referred to in paragraph (1) shall be exercisable :—

- (a) in the case of an officer to whom, if retired on the ground of ill-health, a pension might be awarded by reason only of the taking into account, under Regulation 9 of service in an appointment other than a pensionable office; not later than six months from the date when he receives notice of the approval of the Governor in Council for taking such service into account.
- (b) in the case of an officer who is transferred to the service of the Colony from other public service, not later than thirteen months after the date of his transfer or one month after the earliest date on which, if retired on grounds of ill-health, he might be awarded a pension under this Ordinance, whichever shall be the later;
- (c) in the case of any other officer; not later than one month after the earliest date on which, if retired on grounds of ill-health, he might be awarded a pension under the Ordinance:

Provided

- (i) that an officer who has previously had the opportunity of exercising the option but has not done so, may, if he subsequently marries and is still in the service of the Colony or in any other public service, apply to the Governor not later than one month after the date of his marriage for permission to exercise the option, which permission may be granted at the Governor's discretion after examination of the officer by a Government Medical Board, and upon the grant of such permission the option shall be deemed to have been exercised.
- (ii) that the date of the exercise of the option shall be deemed to be the date of the receipt of his written notification addressed either to the Colonial Secretary in the Colony or to the Crown Agents for the Colonies; and
- (iii) that if an officer has exercised the option his decision shall be irrevocable.

## PART II.

### *Special Regulations for Officers with other Public Service.*

#### Definitions.

16. For the purpose of these Regulations :—

The term "Scheduled Government" means any Government included in the Schedule to these Regulations.

The term "Service in the Group" means service under the Government of the Colony, and under a Scheduled Government or Governments.

17. Subject to the succeeding Regulations, the provisions of Regulations 8 (2), 13, 14, and 15 shall apply to the case of an officer who has been transferred to or from the service of the Colony from or to other public service and the provisions of Regulations 4, 5, 6, 7, 8 (1), 9 (1), and 10 shall apply to the case of an officer so transferred as if his whole service had been in the Colony.

Application of Regulations in Part I.

Provided that in the application of Regulation 15 to cases where the limitation prescribed by Section 10 (2) of the Ordinance operates the words "such pension" in that Regulation shall mean the amount of pension which he might have been awarded from the funds of the Colony if he had not elected for a gratuity and reduced pension.

18. (1) Where the other public service of an officer has been wholly under one or more of the Scheduled Governments and he has held a pensionable office in the Colony for a period of at least twelve months, and his aggregate service would have qualified him had he been wholly in the Colony for a pension under the Ordinance, he may, on his ultimate retirement from the public service in circumstances in which he is permitted by the Law or Regulations of the service in which he is last employed to retire on pension or gratuity, be granted a pension from the Colony of such an amount as shall bear the same proportion to the amount of pension for which he would have been eligible had his service been wholly in the Colony, as the aggregate amounts of his pensionable emoluments during his service in the Colony shall bear to the aggregate amounts of his pensionable emoluments throughout his service in the Group.

Pension for service wholly within the Group.

(2) In determining for the purposes of this Regulation the pension for which an officer would have been eligible if his service had been wholly in the Colony,

- (a) his final pensionable emoluments taken shall be those of his last period of service in the Group;
- (b) no regard shall be had to Regulations 11 and 12;
- (c) regard shall be had to the condition that pension may not exceed two-thirds of the highest pensionable emoluments;
- (d) no period of other public service under any Scheduled Government which does not grant a pension or gratuity to the officer shall be taken into account;

(3) For the purpose of this Regulation the aggregate amount of his pensionable emoluments shall be taken as the total amount of salary which the officer would have drawn, and the total amount of the other pensionable emoluments which he would have enjoyed had he been on duty on full pay in his substantive office or offices throughout his period of service in the Group subsequent to the attainment of the age of twenty years:

Provided that

- (i) in calculating the aggregate amount of his pensionable emoluments no account shall be taken of any service under any Scheduled Government which does not grant the officer a pension or gratuity, or of any period of leave without salary or with salary at a special rate which was granted to him in order to make continuous service interrupted either by abolition of office or in consequence of a reorganisation designed to effect greater efficiency and economy.
- (ii) where under Regulation 9 one half only of any service in a civil capacity otherwise than in a pensionable office is taken into account as pensionable

service, one half only of the officer's aggregate emoluments during that service shall be taken into account for the calculation aforesaid.

- (iii) Where an officer entered the public service prior to the 1st of January, 1930, his pension in respect of his service in the Colony may be calculated as though any scheduled Government under which he has served had not been included in the schedule to these Regulations if this should be to his advantage.

Pension where other service not within the Group.

19. Where the other public service of an officer has not included service under any of the Scheduled Governments, and he has held a pensionable office in the Colony for a period of at least twelve months, and his aggregate service would have qualified him, had it been wholly in the Colony, for a pension under these Regulations, he may, on his ultimate retirement from the public service in circumstances in which he is permitted by the Law or Regulations of the Service in which he is last employed to retire on a pension or gratuity, be granted in respect of his service in the Colony a pension at the rate of one sixhundredth part of the amount of his pensionable emoluments at the date of his transfer or retirement, as the case may be, from the service of the Colony for each calendar month of his pensionable service in the Colony.

Pension when other service both within and not within the Group.

20. Where a part only of the other public service of an officer has been under one or more of the Scheduled Governments, the provisions of Regulation 18 shall apply; but in calculating the amount of pension, regard shall be had only to service in the Group.

Additional pension to officers retiring on account of injury.

21. Where an officer who has been transferred from other public service, and whose aggregate service would have qualified him, had it been wholly in the Colony, for a pension under these Regulations, is compulsorily retired from the public service in the circumstances mentioned in Regulation 12, he may, if at the time he is in the service of the Colony, be granted from the funds of the Colony the additional pension allowed by that Regulation, in addition to the pension granted under Regulations 18, 19, or 20 as the case may be.

Pension in respect of injury after less than 12 months service in the Colony.

22. Where by reason of the fact that an officer whose case falls under Regulation 21 has held a pensionable office in the Colony for less than twelve months, he is not eligible for a pension under Regulation 18, 19, or 20, as the case may be, he may, nevertheless, if at the time of his retirement he is in the service of the Colony, be granted from the funds of the Colony a pension of the same amount as the additional pension allowed by Regulation 21.

Addition to pension in respect of abolition or reorganisation of office.

23. Where an officer who has been transferred from other public service and whose aggregate service would have rendered him eligible, had it been wholly in the Colony, for a pension under these regulations is compulsorily retired from the public service in circumstances mentioned in Regulation 11, he may if at the time he is in the service of the Colony, be granted from the funds of the Colony in addition to the pension granted to him under Regulation 18, 19, or 20, as the case may be, an addition to his pension equal to the addition to his pension which might have been granted to him if his total pensionable service had been in the Colony.

Gratuities where length of service does not qualify for pension.

24. (1) Where an officer has been transferred to or from the service of the Colony from or to other public service, retires from the public service in circumstances in which he is permitted by the Law or Regulations of the service in which he is last employed

to retire on pension or gratuity, but has not completed in the aggregate the minimum period of ten years service qualifying him for a pension, he may be granted from the funds of the Colony a gratuity not exceeding five times the annual amount of the pension which had there been no qualifying period, might have been granted to him under Regulation 18, 19, or 20, as the case may be.

(2) Where such an officer retires from the public service in the circumstances mentioned in Regulation 12, an award may, if at the time he is in the service of the Colony, be made to him under that regulation as if he had no other public service, but he shall not be granted, in addition, the gratuity for which he is eligible under paragraph (1) of this Regulation.

Injury.

25. Where an officer who is transferred to other public service is not granted a pension or gratuity in respect of his employment in the service in which he is last employed, solely by reason of the fact that he has not completed twelve months service therein, he shall not, on that account, be disqualified from receiving a pension or gratuity from the funds of the Colony, if otherwise eligible therefor.

Officers transferred to other public service and retiring after less than 12 months employment in last service.

## LEGISLATIVE COUNCIL.

### Minutes of Meeting held on the 15th November, 1937.

1. The Minutes of the meeting held on the 26th of June, 1937, were confirmed.
2. The Acting Governor delivered to the Council the following Message :

“Honourable Members of the Legislative Council,

“At the corresponding meeting of this Council held last year on the 6th of November, Sir Henniker Heaton made reference to the stabilization of the financial relations between the Colony and its Dependencies and I am glad to be able to inform you that considerable increases in the assets of the Colony are anticipated on the 1st January, 1938, over those on the 1st January, 1937. The schemes which have been devised for development have been successful in creating employment, so much so, that work is now available for all employable men. New electrical plant has been installed during the year with an output which is considered sufficient to meet all likely demands. The Medical Department has under consideration schemes for the maintenance and improvement in the health of the school children, the establishment of a mothercraft centre, the extension of the maternity and child welfare clinic and education in Dental Health. Fresh importations of cattle are anticipated for the Agricultural Department with a view to improving the milk supply. We have been fortunate in obtaining the services of Mr. W. Davies for the purpose of investigating methods for the improvement of our grasslands and his reports will be of considerable value in assisting the development schemes inaugurated for the purpose of increasing the number of sheep carried on the various farms throughout the Colony.

“On turning to the estimates for 1937, Honourable Members will observe with satisfaction that the surplus of assets over liabilities will on the 1st January next year be £22,000 higher than the surplus at the beginning of the year. With such a phenomenal increase it is likely that the policy outlined by Sir Henniker Heaton of increasing the Falkland Islands Reserve Fund from £34,000 at which it now stands to £50,000 will be achieved. When this has been accomplished it may be possible in subsequent years to devote more funds for development.

“The revised estimate of ordinary revenue for the year 1937 shows a surplus revenue over expenditure of £13,257 instead of the £2,281 anticipated when the estimates were approved, while the revised estimate of ordinary and extraordinary expenditure amounting to £56,868 is less than the approved estimate by £33.

“The memorandum prepared by the Acting Colonial Secretary explains in detail the reasons for the increase in the 1938 revenue, over the approved estimate for 1937, and for the variations in expenditure between the approved estimates for 1937 and the estimates of expenditure for 1938. It will be observed that the major items under the Public Works Extraordinary programme are £1,700 for the completion of the construction of roads to Canopus Hut and Sapper Hill and £2,000 for the new Secretariat building. Expenditure on these items received approval of Council in 1936. Explanations for the other items of expenditure under this head are given in the Memorandum and it will be observed that apart from the items approved last year fresh expenditure under Public Works Extraordinary is estimated at the low figure of £4,695.

“In addition to the Bill to provide for the service of the year 1938, legislation will be laid before you to-day to

“(i) extend to the Colony and Dependencies thereof the Forgery Act, 1913, of the Imperial Parliament.

“(ii) give effect to the International Labour Convention concerning the protection against accidents of workers employed in loading and unloading ships.

"(iii) amend the Public Health Ordinance, 1894, as amended by the Public Health (Amendment) Ordinance, 1931.

"(iv) provide for the payment of Compensation to workmen for injuries suffered in the course of their employment.

"(v) amend the Tariff Ordinance, 1900, as amended by the Tariff (Export Duties) Amendment Ordinances, 1923 and 1924.

"(vi) Provide for the grant of Pensions, Gratuities and other allowances to persons who have been in the Public Service of the Colony of the Falkland Islands.

"(vii) establish a Provident Fund for certain Non-Pensionable Employees of the Government."

3. The Honourable the Acting Colonial Secretary, by Command, laid on the Table the following papers :

- (i) Copies of all Regulations, Orders and Bye-laws made or approved by the Governor in Executive Council since the last meeting of the Legislative Council.
- (ii) Copies of despatches received from the Secretary of State for the Colonies, intimating the non-disallowance by His Majesty of Ordinances, Nos. 2, 3, 7, 8, 9, 12, 13 and 14 of 1936 and 1 and 2 of 1937.
- (iii) Comparative Statements of Revenue and Expenditure of the Colony and the Dependencies for the periods 1st January to 31st March and 1st January to 30th June, 1937.

### Compensation.

#### Employer's liability for compensation.

3. (1) If personal injury is caused to a workman by accident arising out of and in the course of his employment, his employer shall be liable to pay compensation in accordance with the provisions of this Ordinance :

Provided that the employer shall not be so liable-

#### Slight injury.

(a) in respect of any injury which does not result in the total or partial disablement of the workman for a period exceeding ten days;

#### Misconduct.

- (b) in respect of any injury to a workman resulting from an accident which is directly attributable to -
- (i) the workman having been at the time thereof under the influence of drink or drugs, or
  - (ii) the wilful disobedience of the workman to an order expressly given, or to a regulation or rule expressly made, for the purpose of securing the safety of workmen, or
  - (iii) the wilful removal or disregard by the workman of any safety guard or other device which he knew to have been provided for the purpose of securing the safety of workmen.

#### Disease.

(2) No compensation shall be payable to a workman in respect of any disease unless the disease is solely and directly attributable to a specific injury by accident arising out of and in the course of his employment.

#### Liability for negligence.

(3) When the injury was caused by the personal negligence or wilful act of the employer or of some person for whose act or default the employer is responsible, nothing in this Ordinance shall affect any civil liability of the employer, but in that case the workman may, at his option, either claim compensation under this Ordinance or take proceedings independently of this Ordinance; but the employer shall not be liable to pay compensation for injury to a workman by accident arising out of and in the course of his employment both independently of and also under this Ordinance, and shall not be liable to any proceedings independently of this Ordinance, except in case of such personal negligence or wilful act as aforesaid.

#### Independent action.

(4) If, within the time hereinafter in this Ordinance limited for taking proceedings, an action is brought to recover damages independently of this Ordinance for injury caused by an accident, and it is determined in such action or on appeal that the injury is one for which the employer is not liable in such action, but that he would have been liable to pay compensation under the provisions of this Ordinance, the action shall be dismissed; but the Court in which the action is tried, or, if the determination is the determination on an appeal (by either party) by an appellate tribunal, that tribunal shall, if the plaintiff so choose, proceed to assess such compensation, but may deduct from such compensation all or part of the costs which, in its judgment, have been caused by the plaintiff bringing the action instead of proceeding under this Ordinance. In any proceeding under this subsection, when the Court or appellate tribunal assesses the compensation, it shall give a certificate of the compensation it has awarded and the directions it has given as to the deduction of costs,

and such certificate shall have the force and effect of and shall be registered as an agreement under this Ordinance:

Provided that an appellate tribunal may, instead of itself assessing such compensation, remit the case to a Commissioner for the assessment of the compensation and in such case may order the Commissioner to deduct from the amount of compensation assessed by him all or part of such cost as aforesaid.

- (ii) in the case of an injury not specified in the Schedule hereto, such percentage of the compensation payable in the case of permanent total disablement as is proportionate to the loss of earning capacity permanently caused by the injury.

Where more injuries than one are caused by the same accident, the amount of the compensation payable under this head shall be aggregated, but not so in any case as to exceed the amount which would have been payable if permanent total disablement had resulted from the injuries.

Temporary disablement.

- (d) Where temporary disablement, whether total or partial, results from the injury, a half-monthly payment payable on the sixteenth day from the date of the disablement, and thereafter half-monthly during the disablement or during a period of five years, whichever period is shorter -
- (i) in the case of an adult, of a sum equal to one fourth of his monthly wages, and
  - (ii) in the case of a minor, of a sum equal to one-third or, after he has attained the age of seventeen years, to one-half of his monthly wages :

Provided that there shall be deducted from any lump sum or half-monthly payments to which the workman is entitled the amount of any payment or allowance which the workman has received from the employer by way of compensation during the period of disablement prior to the receipt of such lump sum or of the first half-monthly payment, as the case may be, and no half-monthly payment shall in any case exceed the amount, if any, by which half the amount of the monthly wages of the workman before the accident exceeds half the amount of such wages as he is earning or is able to earn in some suitable employment or business after the accident.

(2) On the ceasing of the disablement before the date on which any half-monthly payment falls due, there shall be payable in respect of that half month a sum proportionate to the duration of the disablement in that half month.

Method of calculating wages.

5. (1) For the purposes of section 4 the monthly wages of a workman shall be calculated as follows, namely :-

- (a) where the workman has, during a continuous period of not less than twelve months immediately preceding the accident, been in the service of the employer who is liable to pay compensation, the monthly wages of the workman shall be one-twelfth of the total wages which have fallen due for payment to him by the employer in the last twelve months of that period ;
- (b) in other cases, the monthly wages shall be thirty times the total wages earned in respect of the last continuous period of service immediately preceding the accident from the employer who is liable to pay compensation, divided by the number of days comprising such period :

Provided that if the amount of the monthly wages arrived at by calculation under clause (a) or clause (b) is more than twelve pounds and ten shillings, such monthly wages shall be assumed to be twelve pounds and ten shillings.

(2) A period of service shall, for the purposes of this section, be deemed to be continuous which has not been interrupted by a period of absence from work exceeding fourteen days.

Review.

6. (1) Any half-monthly payment payable under this Ordinance either under an agreement between the parties or under the order of a Commissioner, may be reviewed by the Commissioner on the application either of the employer or of the workman accompanied by the certificate of a qualified medical practitioner that there has been a change in the condition of the workman or, subject to regulations made under this Ordinance, on application made without such certificate.

(2) Any half-monthly payment may, on review under this section, subject to the provisions of this Ordinance, be continued, increased, decreased or ended, or, if the accident is found to have resulted in permanent disablement, be converted to the lump sum to which the workman is entitled less any amount which he has already received by way of half-monthly payments.

7. Any right to receive half-monthly payments may, by agreement between the parties, or, if the parties cannot agree and the payments have been continued for not less than six months, on the application of either party to the Commissioner, be redeemed by the payment of a lump sum of such amount as may be agreed to by the parties or determined by the Commissioner, as the case may be.

Payment of lump sum in lieu of payments.

8. (1) Compensation payable where the death of a workman has resulted from an injury shall be deposited with the Registrar, and any sum so deposited shall be apportioned among the dependants of the deceased workman or any of them in such proportion as the Commissioner thinks fit, or may in the discretion of the Commissioner, be allotted to any one such dependant, and the sum so allotted to any dependant shall be paid to him or be invested, applied or otherwise dealt with for his benefit in such manner as the Commissioner thinks fit.

Lump sums.

(3) Any other compensation payable under this Ordinance may be deposited with the Registrar and, when so deposited, shall be paid by the Registrar to the person entitled thereto.

Other cases.

(4) The receipt of the Registrar shall be a sufficient discharge in respect of any amount deposited with him under the provisions of this Ordinance.

Receipt of Registrar.

(5) On the deposit of any money under subsection (1), the Registrar may deduct therefrom the actual cost of the workman's funeral expenses, to an amount not exceeding eight pounds, and pay the same to the person by whom such expenses were incurred, and shall, if he thinks necessary, cause notice to be published or to be served on each dependant in such manner as he thinks fit, calling upon the dependants to appear before the Commissioner on such date as he may fix for determining the distribution of the compensation. If the Commissioner is satisfied, after any enquiry which he may deem necessary, that no dependant exists, he shall direct the Registrar to repay the balance of the money to the employer by whom it was paid. The Registrar shall, on application by the employer, furnish a statement showing in detail all disbursements made.

Notice to dependants.

(6) Where a half-monthly payment is payable under this Ordinance to a workman under any legal disability, the Commissioner may, of his own motion or on application made to him in this behalf, order that the half-monthly payment be paid during the disability to any dependant of the workman or to any other person whom he thinks best fitted to provide for the welfare of the workman.

children on the part of a parent, or on account of the variation of the circumstances of any dependant, or for any other sufficient cause, an order of the Commissioner as to the distribution of any sum paid as compensation or as to the manner in which any sum payable to any such dependant is to be invested, applied or otherwise dealt with ought to be varied, the Commissioner may make such order for the variation of the former order as he thinks just in the circumstances of the case:

Provided that no such order prejudicial to any person shall be made unless such person has been given an opportunity of showing cause why the order should not be made, or shall be made in any case in which it would involve the repayment by a dependant of any sum already paid to him.

**Deductions for costs.**

(8) The solicitor or agent of a person claiming compensation under this Ordinance shall not be entitled to recover from him any costs in respect of such claim or to claim a lien in respect of such costs on, or deduct such costs from, the sum awarded or agreed as compensation, except such sum as may be awarded by a Commissioner, subject to regulations made under this Ordinance, on an application made either by the person claiming compensation, or by his solicitor or agent to determine the amount of the costs to be paid to the solicitor or agent.

**Compensation not to be assigned, attached or charged.**

9. Save as provided by this Ordinance, no lump sum or half-monthly payment payable under this Ordinance shall be capable of being assigned, charged or attached or shall pass to any person other than the workman by operation of law, nor shall any claim be set off against the same.

**Notice and claim.**

10. (1) Proceedings for the recovery under this Ordinance of compensation for an injury shall not be maintainable unless notice of the accident has been given as soon as practicable after the happening thereof and before the workman has voluntarily left the employment in which he was injured, and unless the claim for compensation with respect to such accident has been made within six months from the occurrence of the accident causing the injury, or, in case of death, within six months from the time of death :

Provided that -

- (a) the want of or any defect or inaccuracy in such notice shall not be a bar to the maintenance of such proceedings if the employer is proved to have had knowledge of the accident from any other source at or about the time of the accident, or if it is found in the proceedings for settling the claim that the employer is not, or would not, if a notice or an amended notice were then given and the hearing postponed, be prejudiced in his defence by the want, defect or inaccuracy, or that such want, defect or inaccuracy was occasioned by mistake, absence from the Colony, or other reasonable cause; and
- (b) the failure to make a claim within the period above specified shall not be a bar to the maintenance of such proceedings if it is found that the failure was occasioned by mistake, absence from the Colony, or other reasonable cause.

(2) Notice in respect of an injury under this Ordinance may be given either in writing or orally to the employer (or if there is more than one employer to one of such employers) or to any foreman or other official under whose supervision the workman is employed or to any person designated for the purpose by the em-

ployer, and shall give the name and address of the person injured, and shall state in ordinary language the cause of the injury and the date at which the accident happened.

(3) The notice if in writing may be given by delivering the same at, or sending it by post in a registered letter addressed to the residence or place of business of the person to whom it is to be given.

(4) Where the employer is a body of persons, corporate or unincorporate, the notice, if in writing, may also be given by delivering it or by sending it by post in a registered letter addressed to the employer at the office, or, if there be more than one office, any one of the offices, of such body.

11. (1) Where a workman has given notice of an accident or where an accident has occurred in respect of which the necessity of giving notice under this Ordinance is dispensed with, a workman shall, if the employer offers to have him examined free of charge by a qualified medical practitioner, submit himself for such examination, and any workman who is in receipt of a payment under this Ordinance shall, if so required, submit himself for such examination from time to time :

Medical examination.

Provided that a workman shall not be required to submit himself for examination by a medical practitioner otherwise than in accordance with regulations made under this Ordinance, or at more frequent intervals than may be prescribed.

(2) If a workman, being required to do so by the employer under subsection (1) or by the Commissioner at any time, refuses to submit himself for examination by a qualified medical practitioner or in any way obstructs the same, his right to compensation shall be suspended during the continuance of such refusal or obstruction unless, in the case of refusal, he was prevented by any sufficient cause from so submitting himself.

Refusal to be examined.

(3) If a workman, before the expiry of three days from the time at which service of notice of an accident has been effected or, when an accident occurs in respect of which the necessity of giving notice under this Ordinance is dispensed with, before the expiry of three days from the date of such accident voluntarily and without due cause leaves the vicinity of the place in which he was employed without having been examined by a qualified medical practitioner, his right to compensation shall be suspended until he returns and offers himself for such examination.

Leaving vicinity prior to examination.

(4) Where a workman, whose right to compensation has been suspended under subsection (2) or subsection (3), dies without having submitted himself for medical examination as required by either of those subsections, the Commissioner may, if he thinks fit, direct the payment of compensation to the dependants of the deceased workman.

Death prior to examination.

(5) Where under subsection (2) or subsection (3) a right to compensation is suspended, no compensation shall be payable in respect of the period of suspension.

Compensation not payable during period of suspension.

(6) Where an injured workman has refused to be attended by a qualified medical practitioner whose services have been offered to him by the employer free of charge or having accepted such offer has deliberately disregarded the instructions of such medical practitioner, then, if it is thereafter proved that the workman has not been regularly attended by a qualified medical practitioner and that such refusal, failure or disregard was unreasonable in the circumstances

of the case and that the injury has been aggravated thereby, the injury and resulting disablement shall be deemed to be of the same nature and duration as they might reasonably have been expected to be if the workman had been regularly attended by a qualified medical practitioner and compensation, if any, shall be payable accordingly.

**Sub-contracting.**

12. (1) Where any person (in this section referred to as the principal) in the course of or for the purposes of his trade or business, contracts with any other person (in this section referred to as the contractor) for the execution by or under the contractor of the whole or any part of any work undertaken by the principal, the principal shall be liable to pay to any workman employed in the execution of the work any compensation under this Ordinance which he would have been liable to pay if that workman had been immediately employed by him; and where compensation is claimed from or proceedings are taken against the principal, then in the application of this Ordinance references to the principal shall be substituted for references to the employer, except that the amount of compensation shall be calculated with reference to the earnings of the workman under the employer by whom he is immediately employed.

**Indemnity.**

(2) Where the principal is liable to pay compensation under this section, he shall be entitled to be indemnified by any person who would have been liable to pay compensation to the workman independently of this section, and all questions as to the right to and the amount of any such indemnity shall, in default of agreement, be settled by the Commissioner.

**Contractor.**

(3) Nothing in this section shall be construed as preventing a workman recovering compensation under this Ordinance from the contractor instead of the principal.

**Control of principal.**

(4) This section shall not apply in any case where the accident occurred elsewhere than on, or in, or about the premises on which the principal has undertaken to execute the work or which are otherwise under his control or management.

**Remedies both against employer and stranger.**

13. Where the injury for which compensation is payable under this Ordinance was caused under circumstances creating a legal liability in some person other than the employer to pay damages in respect thereof -

(1) the workman may take proceedings both against that person to recover damages and against any person liable to pay compensation under this Ordinance for such compensation, but shall not be entitled to recover both damages and compensation; and

**Indemnity by third party.**

(2) if the workman has recovered compensation under this Ordinance, the person by whom the compensation was paid, and any person who has been called on to pay an indemnity under section 12 shall be entitled to be indemnified by the person so liable to pay damages as aforesaid, and all questions as to the right to and amount of any such indemnity shall, in default of agreement, be settled by action or, by consent of the parties, by a Commissioner.

**Bankruptcy of employer.**

14. (1) Where any employer has entered into a contract with any insurers in respect of any liability under this Ordinance to any workman, then in the event of the employer becoming bankrupt or making a composition or arrangement with his creditors or, if the employer is a company, in the event of the company having commenced to be wound up or a receiver or manager of the company's business or undertaking having been duly appointed, or possession

having been taken, by or on behalf of the holders of debentures secured by a floating charge, of any property comprised in or subject to the charge, the rights of the employer against the insurers as respects that liability shall, notwithstanding anything in the enactments relating to bankruptcy and the winding up of companies, be transferred to and vest in the workman, and upon any such transfer the insurers shall have the same rights and remedies and be subject to the same liabilities as if they were the employer, so, however, that the insurers shall not be under any greater liability to the workman than they would have been under to the employer.

(2) If the liability of the insurers to the workman is less than the liability of the employer to the workman, the workman may prove for the balance in the bankruptcy or liquidation, or, as the case may be, he may recover the balance from the receiver or manager. Proof in bankruptcy.

(3) There shall be included amongst the debts which - Priority.

- (i) under the Preferential Payments in Bankruptcy Act, 1888, (U.K.) are, in the distribution of the property or assets of a bankrupt, to be paid in priority to all other debts;

- (b) in the second case the date of the commencement of the winding up of the company;
- (c) in the third case the date of the appointment of the receiver or of possession being taken mentioned in the said section.

Where the compensation is a half-monthly payment, the amount due in respect thereof shall, for the purposes of this provision, be taken to be the amount of the lump sum for which the half-monthly payment could, if redeemable, be redeemed if the employer made an application for that purpose under this Ordinance, and a certificate of the Commissioner as to the amount of such sums shall be conclusive proof thereof.

Lump sum in lieu of payments.

(4) The provisions of this section with respect to preferences and priorities shall not apply where the bankrupt or the company has entered into such a contract with insurers as aforesaid.

No priority if insured.

(5) This section shall not apply where a company is wound up voluntarily merely for the purposes of reconstruction or of amalgamation with another company.

Voluntary liquidation.

15. The Governor may, by notification in the Gazette direct that every person employing workmen, or that any specified class of such persons, shall send at such time and in such form and to such person, as may be specified in the notification, a correct return specifying the number of injuries in respect of which compensation has been paid by the employer during the previous year and the amount of such compensation, together with such other particulars as to the compensation as the Governor may direct. Any person failing to comply with the provisions of this section shall be liable on summary conviction by a Magistrate to a penalty of five pounds.

Returns as to compensation.

Contracting out.

16. Any contract or agreement, whether made before or after the commencement of this Ordinance, whereby a workman relinquishes any right of compensation from the employer for personal injury arising out of or in the course of his employment, shall be null and void in so far as it purports to remove or reduce the liability of any person to pay compensation under this Ordinance.

Workmen in employment of Crown.

17. This Ordinance shall apply to workmen employed under the Crown in the same way and to the same extent as if the employer were a private person, except in the case of persons in the naval or military or air service of the Crown and persons in the Civil employment of His Majesty otherwise than in His Government of the Colony of the Falkland Islands:

Provided that this Ordinance shall not apply in the case of a workman in, or selected for appointment to, the service of the Government of the Colony of the Falkland Islands before the date on which this Ordinance comes into operation where, in consequence of injury received by any such workman in the discharge of his duties, a pension or gratuity which would not be payable if such injury were received otherwise, is paid to him or, in the case of his death, to any of his dependants as defined in this Ordinance, under any Ordinance or Regulation providing for the grant of such pension or gratuity.

Workmen in employment of local authorities.

18. The provisions contained in the proviso to the last preceding shall *mutatis mutandis* apply in respect of a workman in the employment of any public or local authority where provisions exist by law or by bye-law or regulation made under a law for the grant of a pension or gratuity to such workman in the case of injury received by him in the discharge of his duties, or to any other person in the event of the workman's death resulting from that injury.

(2) If a Commissioner is satisfied by any party to any proceedings under this Ordinance pending before him that such matter can be more conveniently dealt with by any other Commissioner, he may, subject to regulations made under this Ordinance, order such matter to be transferred to such other Commissioner either for report or for disposal, and, if he does so the Registrar shall forthwith transmit to such other Commissioner all documents relevant for the decision of such matter and, where the matter is transferred for disposal, the Registrar shall also transmit in the prescribed manner any money remaining in his hands or invested by him for the benefit of any party to the proceedings.

- (d) where it appears to the Commissioner that an agreement as to the payment of a lump sum, whether by way of redemption of a half-monthly payment or otherwise, or an agreement as to the amount of compensation payable to a person under any legal disability, or to dependants, ought not to be registered by reason of the inadequacy of the sum or amount, or by reason of the agreement having been obtained by fraud or undue influence or other improper means, he may refuse to record the memorandum of the agreement or may make such order,

(2) Any memorandum of agreement to which this section applies shall disclose the amount (if any) paid or payable under or in respect of the agreement by the employer to the solicitor and counsel for the workman or his dependants as costs, and, if it appears to the Commissioner that the amount is excessive, the Commissioner shall, subject to regulations made under this Ordinance, tax such costs; or order the same to be taxed by the Registrar, and if the costs are reduced on taxation, the amount of such reduction shall either be applied or dealt with for the benefit of the workman or his dependants, or paid to the employer.

(3) Notwithstanding anything herein contained, no appeal shall lie in any case in which the parties have agreed to abide by the decision of the Commissioner or in which the order of the Commissioner gives effect to an agreement come to by the parties.

Computation of pensions and gratuities. Service on the active list of the Army, Navy, or Air Force.

8. (1) For the purpose of computing the amount of an officer's pension or gratuity :—

Computation of pensions, etc. on what emoluments to be based.

(a) in the case of an officer who has held one office for a period of three years immediately preceding the date of his retirement, the full pensionable emoluments payable to him at that date in respect of that office shall be taken ;

(b) in the case of an officer who at any time during such period of three years has been transferred from one office to another, but whose pensionable emoluments have not been changed by reason of such transfer or transfers, the full pensionable emoluments payable to him at the date of his retirement in respect of the office then held by him shall be taken ;

(c) in other cases one third of the aggregate pensionable emoluments payable to the officer in respect of his service during the said three years shall be taken : provided that

(i) if such one third is less than the full pensionable emoluments which were payable to him at the date of his transfer within such period of three years, the Governor in Council may grant him a pension calculated on the full pensionable emoluments payable to him at that date; and

(ii) for the purpose of calculating pensionable emoluments under this paragraph, the officer shall be deemed to have been on duty on full pensionable emoluments throughout the said three years.

(2) The estimated value of free quarters shall be taken as one-sixth of the actual salary of the office.

9. (1) Only service in a pensionable office shall be taken into account as pensionable service :

Non-pensionable service followed by pensionable service.

Provided that where a period of service in a civil capacity otherwise than in a pensionable office is immediately followed by service in a pensionable office, one-half of such period may with the approval of the Governor in Council be so taken into account, and

(2) Where an officer in the service of the Colony or in any other public service on the date when the Ordinance comes into force shall, before that date have served in a civil capacity otherwise than in a pensionable office, then if it should be to his advantage his pension may be calculated as if the following Regulation was substituted for paragraph 1 of this Regulation :—

“Only service in a pensionable office shall be taken into account as pensionable service;

Provided that where an unbroken period of service in a civil capacity in an appointment other than a pensionable office is immediately followed by service in a pensionable office in the Colony, such

period or any part of such period may, with the approval of the Governor in Council, be so taken into account."

**Acting Service.**

10. Where an officer has performed acting service in a pensionable office in the Colony, the period of such service may be taken into account as pensionable service :

Provided that

(1) The period of such acting service was not part of the pensionable service of the previous holder of the office and does not fall to be reckoned as part of the officer's own pensionable service in other public service;

(2) this period of service is immediately preceded or followed by service in a substantive capacity in a pensionable office in the Colony.

**Abolition or reorganisation of office.**

11. (1) If an officer holding a pensionable office retire or be removed from the service in consequence of the abolition of his office, or for the purpose of facilitating improvements in the organisation of the Department to which he belongs, by which greater efficiency and economy can be effected, he may be granted a pension calculated in accordance with Regulation 2.

Provided that if he has been in the service of the Colony for less than the qualifying period of ten years, he may be granted a pension calculated in accordance with that Regulation as if there had been no qualifying period.

(2) Such an officer may also be granted an additional pension at the rate of one-sixtieth part of his annual pensionable emoluments for each complete period of three years' pensionable service :

Provided that

(a) the addition shall in no case exceed ten-sixtieths ; and

(b) no addition shall be made so as to qualify an officer for a pension of higher annual value than that for which he would have been qualified by length of service on reaching the age at which he may be required to retire, without the approval of the Secretary of State or for a pension of higher annual value than the maximum prescribed in Section 10 of the Ordinance.

(3) Any pension granted to an officer in accordance with this Regulation shall be subject to the condition that he shall be liable to be recalled to service in the Colony.

Provided that if such an officer is not qualified for other employment in the public service, and if there is no reason, in the opinion of the Governor, to expect that he can be shortly re-employed, a pension may be granted to him free from the above-mentioned condition.

**Officers retiring on account of injuries.**

12. (1) Where an officer has been permanently injured :—

(a) in the actual discharge of his duty and

(b) without his own default, and

(c) by some injury specifically attributable to the nature of his duty,

and his retirement is thereby necessitated or materially accelerated, then, subject to the provisions of sub-section (4) of section 10 of the Ordinance, he may, if he is qualified for a pension under Regulation 2, be granted, in addition to the pension granted to him under that Regulation, an additional pension at the rate of the proportion of

his actual pensionable emoluments at the date of his injury appropriate to his case as shown in the following table :—

When his capacity to contribute to his own support is :—

slightly impaired	...	five-sixtieths ;
impaired	...	ten-sixtieths ;
materially impaired	...	fifteen-sixtieths ;
totally destroyed	...	twenty-sixtieths ;

Provided that the amount of the additional pension shall be reduced to such an extent as the Governor in Council shall think reasonable in the following cases :—

- (a) where the injured officer has continued to serve for not less than one year after the injury in respect of which he retires ;
- (b) where the injured officer is at the date of injury within ten years of the age at which he may be required to retire without the approval of the Secretary of State ; or
- (c) where the injury is not the sole cause of retirement, but the retirement is caused partly by age or infirmity not due to the injury :

(2) An officer so injured, whose length of service is not such as to qualify him for a pension under Regulation 2, but who is qualified for a gratuity under Regulation 3, may nevertheless be granted in lieu of such a gratuity a pension at the rate of one-sixthundredth part of his pensionable emoluments for each complete month of pensionable service together with such additional pension as might be awarded to him under the preceding part of this Regulation if he were qualified for pension.

Pension to injured officer where service is less than ten years.

(3) An officer so injured who is not qualified for either a pension under Regulation 2, or a gratuity under Regulation 3 may nevertheless be granted a pension of the same amount as the additional pension which he might have been granted if he had been so qualified.

13. In special cases an officer holding a non-pensionable office may :—

- (a) if he has served the Colony for not less than seven years and is removed in consequence of the abolition of his office, or for the purpose of facilitating improvements in the organisation of the Department to which he belongs by which greater efficiency and economy can be effected ; or

Officers who have served in a non-pensionable office.

be granted a compassionate gratuity not exceeding one pound or one week's pay, whichever is the greater for each year of his service.

14. Where an officer has been transferred from a pensionable to a non-pensionable office and subsequently retires either from a pensionable or non-pensionable office in circumstances in which he might have been granted a pension if he had continuously held a pensionable office, he may, with the approval of the Governor in Council, be allowed to count his service in the non-pensionable office as though it were service in the pensionable office which he held immediately prior to such transfer, and at the pensionable emoluments which were payable to him at the date of transfer.

Officers transferred from pensionable to non-pensionable office.

15. (1) Any officer to whom a pension is granted under the Ordinance may, at his option exercisable as hereinafter provided,

Gratuity and reduced pension.

be paid in lieu of such pension a pension at the rate of three-fourths of such pension together with a gratuity equal to ten times the amount of the reduction so made in the pension.

(2) The option referred to in paragraph (1) shall be exercisable :—

- (a) in the case of an officer to whom, if retired on the ground of ill-health, a pension might be awarded by reason only of the taking into account, under Regulation 9 of service in an appointment other than a pensionable office; not later than six months from the date when he receives notice of the approval of the Governor in Council for taking such service into account.
- (b) in the case of an officer who is transferred to the service of the Colony from other public service, not later than thirteen months after the date of his transfer or one month after the earliest date on which, if retired on grounds of ill-health, he might be awarded a pension under this Ordinance, whichever shall be the later;
- (c) in the case of any other officer; not later than one month after the earliest date on which, if retired on grounds of ill-health, he might be awarded a pension under the Ordinance:

Provided

- (i) that an officer who has previously had the opportunity of exercising the option but has not done so, may, if he subsequently marries and is still in the service of the Colony or in any other public service, apply to the Governor not later than one month after the date of his marriage for permission to exercise the option, which permission may be granted at the Governor's discretion after examination of the officer by a Government Medical Board, and upon the grant of such permission the option shall be deemed to have been exercised.
- (ii) that the date of the exercise of the option shall be deemed to be the date of the receipt of his written notification addressed either to the Colonial Secretary in the Colony or to the Crown Agents for the Colonies; and
- (iii) that if an officer has exercised the option his decision shall be irrevocable.

(3) For the purpose of this Regulation the aggregate amount of his pensionable emoluments shall be taken as the total amount of salary which the officer would have drawn, and the total amount of the other pensionable emoluments which he would have enjoyed had he been on duty on full pay in his substantive office or offices throughout his period of service in the Group subsequent to the attainment of the age of twenty years:

Provided that

- (i) in calculating the aggregate amount of his pensionable emoluments no account shall be taken of any service under any Scheduled Government which does not grant the officer a pension or gratuity, or of any period of leave without salary or with salary at a special rate which was granted to him in order to make continuous service interrupted either by abolition of office or in consequence of a reorganisation designed to effect greater efficiency and economy.
- (ii) where under Regulation 9 one half only of any service in a civil capacity otherwise than in a pensionable office is taken into account as pensionable

service, one half only of the officer's aggregate emoluments during that service shall be taken into account for the calculation aforesaid.

- (iii) Where an officer entered the public service prior to the 1st of January, 1930, his pension in respect of his service in the Colony may be calculated as though any scheduled Government under which he has served had not been included in the schedule to these Regulations if this should be to his advantage.

Pension where other service not within the Group.

19. Where the other public service of an officer has not included service under any of the Scheduled Governments, and he has held a pensionable office in the Colony for a period of at least twelve months, and his aggregate service would have qualified him, had it been wholly in the Colony, for a pension under these Regulations, he may, on his ultimate retirement from the public service in circumstances in which he is permitted by the Law or Regulations of the Service in which he is last employed to retire on a pension or gratuity, be granted in respect of his service in the Colony a pension at the rate of one sixhundredth part of the amount of his pensionable emoluments at the date of his transfer or retirement, as the case may be, from the service of the Colony for each calendar month of his pensionable service in the Colony.

Pension when other service both within and not within the Group.

20. Where a part only of the other public service of an officer has been under one or more of the Scheduled Governments, the provisions of Regulation 18 shall apply; but in calculating the amount of pension, regard shall be had only to service in the Group.

Additional pension to officers retiring on account of injury.

21. Where an officer who has been transferred from other public service, and whose aggregate service would have qualified him, had it been wholly in the Colony, for a pension under these Regulations, is compulsorily retired from the public service in the circumstances mentioned in Regulation 12, he may, if at the time he is in the service of the Colony, be granted from the funds of the Colony the additional pension allowed by that Regulation, in addition to the pension granted under Regulations 18, 19, or 20 as the case may be.

Pension in respect of injury after less than 12 months service in the Colony.

22. Where by reason of the fact that an officer whose case falls under Regulation 21 has held a pensionable office in the Colony for less than twelve months, he is not eligible for a pension under Regulation 18, 19, or 20, as the case may be, he may, nevertheless, if at the time of his retirement he is in the service of the Colony, be granted from the funds of the Colony a pension of the same amount as the additional pension allowed by Regulation 21.

Addition to pension in respect of abolition or reorganisation of office.

23. Where an officer who has been transferred from other public service and whose aggregate service would have rendered him eligible, had it been wholly in the Colony, for a pension under these regulations is compulsorily retired from the public service in circumstances mentioned in Regulation 11, he may if at the time he is in the service of the Colony, be granted from the funds of the Colony in addition to the pension granted to him under Regulation 18, 19, or 20, as the case may be, an addition to his pension equal to the addition to his pension which might have been granted to him if his total pensionable service had been in the Colony.

Gratuities where length of service does not qualify for pension.

24. (1) Where an officer has been transferred to or from the service of the Colony from or to other public service, retires from the public service in circumstances in which he is permitted by the Law or Regulations of the service in which he is last employed

to retire on pension or gratuity, but has not completed in the aggregate the minimum period of ten years service qualifying him for a pension, he may be granted from the funds of the Colony a gratuity not exceeding five times the annual amount of the pension which had there been no qualifying period, might have been granted to him under Regulation 18, 19, or 20, as the case may be.

(2) Where such an officer retires from the public service in the circumstances mentioned in Regulation 12, an award may, if at the time he is in the service of the Colony, be made to him under that regulation as if he had no other public service, but he shall not be granted, in addition, the gratuity for which he is eligible under paragraph (1) of this Regulation.

Injury.

25. Where an officer who is transferred to other public service is not granted a pension or gratuity in respect of his employment in the service in which he is last employed, solely by reason of the fact that he has not completed twelve months service therein, he shall not, on that account, be disqualified from receiving a pension or gratuity from the funds of the Colony, if otherwise eligible therefor.

Officers transferred to other public service and retiring after less than 12 months employment in last service.
