EXPLANATORY NOTE  
*(not part of the Ordinance)*

This Ordinance validates transhipment licence fees that were demanded and collected without legislative authority. The fees collected between 1 May 2020 and the date of commencement of the Fisheries (Transhipment and Export) (Amendment) Order 2022 were collected without the necessary legal process of amending the Schedule to the Fisheries (Transhipment and Export) Regulations 1990. To regularise the situation, an amendment to the transhipment fee will be made by the Fisheries (Transhipment and Export) (Amendment) Order 2022.
