Enacted 13 February 2024

A. M. BLAKE C.M.G., *Commissioner*.

OBJECTS AND REASONS

(not part of the Ordinance)

This Ordinance amends the Marriage Ordinance (Cap. 43) ("the Ordinance") as applied to South Georgia and the South Sandwich Islands by the Application of Colony Laws Ordinance (Cap 1 D.S.). The Ordinance is amended to set the minimum age for marriage age at 18 years and remove the requirement for parental consent for marriage. The amendment aligns the Ordinance with the law of England and Wales.

Sections 1 to 3 provide for preliminary matters. The amendments commence on publication in the Gazette.

Section 4 amends section 2 of the Ordinance by deleting the definition of "'Minor' or "Infant'". A minor or infant is defined as a person who is under 21 years and consent is required under the Ordinance before they marry.

Section 5 replaces section 11 of the Ordinance and the new section provides that a marriage where one of the parties is below 18 years of age is void. A minimum age for marriage is therefore set at 18 years.

Section 6 repeals section 14 of the Ordinance which allows persons whose consent to a marriage is required to forbid the marriage.

Section 7 amends section 17 so as to remove some discriminatory language which requires a marriage certificate to be handed to the husband. The change provides for the certificate to be handed to the parties to the marriage.

Section 8 replaces section 25 of the Ordinance (which provides for the payment of fees specified in the Ordinance) with a provision that allows the Commissioner to set fees by notice in the *Gazette* for services provided under the Ordinance. The notice must specify the service and the fee.

Section 9 effects amendments to the forms in the First Schedule and deletes the Second and Third Schedules. The forms in the First Schedule are revised in line with the removal of consent requirements. The Third Schedule is deleted because under the new section 25, fees will be set by notice in the *Gazette*.

EXPLANATORY NOTE

(not part of this Ordinance)

This Ordinance consolidates provision made in the Currency Ordinance 2000 for the use of currency in the Territories of South Georgia and the South Sandwich Islands.

In accordance with the requirements of section 9(2) of and paragraph 6 of the Annex to the South Georgia and South Sandwich Islands Order 1985, the Commissioner has obtained confirmation from the Secretary of State for the Foreign Commonwealth and Development Office that the Ordinance may be enacted.

Section 1 provides that the Ordinance is the Currency Ordinance 2024 and it comes into force on publication. Section 2 is an interpretation provision. Section 3 provides that the currency of the Territories is pounds sterling.

Section 4 gives the Commissioner the power to authorise the minting and issue of commemorative coins. Section 4(2) sets out what must be specified in an Order authorising the minting and issue of commemorative coins. Section 4(3) provides that a commemorative coin is to be marked with a year, which may be different from the year which appears in the design of the coin specified under section 4(2).

Section 5 provides that both sterling coins and notes which are legal tender in England and Wales, and commemorative coins are legal tender in the Territories.

The laws which currently provide for notes and coins to be legal tender in England and Wales are the Currency and Bank Notes Act 1954 and the Coinage Act 1971. Those Acts contain provisions allowing sterling notes and coins to be called in (so that they are no longer legal

tender), and place limits on the number of particular sterling coins which make up legal tender. The primary limits currently are:-

- (a) coins of cupro-nickel or silver of denominations of more than 10 pence, for payment of any amount not exceeding £10;
- (b) coins of cupro-nickel or silver of denominations of not more than 10 pence, for payment of any amount not exceeding £5; and
- (c) coins of bronze, for payment of any amount not exceeding 20 pence.

Commemorative coins have parity of value with sterling coins of the same denomination. The Commissioner may by order declare that commemorative coins or such coins of a specified description will from a specified date cease to be legal tender.

Legal tender is a very narrow technical concept which has no use in everyday life (it means that if you offer to fully pay off a debt to someone in legal tender, they cannot sue you for failing to repay). The concept of legal tender does not restrict flexibility in the forms of payment which persons may agree to use.

Section 6 imposes a duty on the Government to purchase commemorative coins of more than £20 in value and that are legal tender at face value. The Commissioner may charge an administration fee for buying commemorative coins of up to 2.25% of the value of the transaction. The Commissioner may sell commemorative coins at face value or above face value.

The Ordinance repeals the Currency Ordinance 2000 (which was never commenced) (section 9). The orders purportedly made under that Ordinance are given effect by section 7 and the Schedule from the date of commencement of this Ordinance. The instruments listed in the Schedule were published in the South Georgia and South Sandwich Islands Gazette.

Section 8 makes it an offence to mint or issue commemorative coins without authority. An offence is punishable on conviction by a term so imprisonment of up to 7 years and a fine of up to £25,000.
